SIR,

In reply to your letter of the 24th September 1862, No. 2,283, I have the honor to enclose copy of a letter* from the Dewan of Travancore, giving the views of the Sirkar as to the partition of profits arising from the proposed diversion of the waters of the Perryaur river in order to irrigate portions of the Madura District, and intimating that, should the British Government deem the proposal made, fair and equitable, the Travancore Government have no objection to such measures being taken as may be deemed necessary, in order to carry out the contemplated project.
